AIRHEAD KILLER STRIKES AGAIN!

THIRD VICTIM FOUND DEFLATED IN ALLEY; BY 'THE POPPER

We're Just as Worthy as the Big Balloons.

A wave of unrest has been brewing among Poorheads, the lower-inflation Airheads who make up a significant portion of the Airhead community. This week, hundreds of Poorheads gathered in the Financial District to protest the Inflation Tier system, which they argue unfairly categorizes them as "less valuable" simply because they're not as inflated as their wealthier counterparts.

The Inflation Tier system, which assigns Airheads a rank based on their financial contributions, has sparked controversy since its inception, but Poorheads say the recent popularity of inflation culture has pushed them to the sidelines.

Third Airhead Found Deflated in Financial District Alley as the Mysterious 'Popper' Continues Their Reign of Terror; Police Urge Caution as Evidence Points to Deliberate and Targeted Attacks.

Police Urge Caution as Evidence Points to Deliberate and Targeted Attacks on Inflated Community Members.

A wave of terror has taken hold in the Airhead community as yet another Airhead has been found brutally deflated, marking the third such incident in as many weeks.

Dubbed "The Popper" by local media, the unknown assailant is leaving a chilling trail of limp, lifeless balloon bodies across the Financial District.

The latest victim, identified only as "Mr. Big Pop," was discovered in an alley near Wall Street early this morning, his vibrant colors faded and his air fully drained.
